

**SWINEMOOR
PRIMARY SCHOOL**

**SPRING TERM 2019 CURRICULUM STATEMENT
YEAR FOUNDATION**

SUBJECT / TOPIC	CONTENT
ENGLISH	<p>In English, we will be continuing to develop our word and sentence writing through our knowledge of letters and sounds. We will be learning to write a range of informative texts including instructions, factsheets and lists. We will also be developing our creative writing through poetry and story writing about animals, their habitats and different climates</p> <p>Click here to visit a useful website to encourage speaking and listening skills</p>
MATHEMATICS	<p>In Maths, we will continue to develop our knowledge of number, specifically addition and subtraction. We will also be exploring a variety of measurements such as capacity, height, time and money through our topic</p> <p>Click here to explore a useful website linked to Mathematics in the Early Years</p>
THE WORLD	<p>We are going to be looking in more detail at weather and the seasonal changes we experience as well as monitoring rainfall, wind power and sunlight. We will be thinking about how the weather affects us in the UK and what benefits it may bring. We will also look at lifecycles in relation to animals and will explore different animal habitats and their climates.</p> <p>We will also be learning about how to keep ourselves safe online in our computing sessions.</p> <p>Click here for another useful link</p>
THE ARTS	<p>Using a range of materials we will be developing our fine motor skills through the creation of various pieces of art linked to our topic. We will be using tools for a purpose to create and develop items to enhance our outdoor learning environment such as plant pots, wind chimes and sun catchers. Look out for these as you come in to school!</p> <p>Click here to visit a website with some great crafty ideas for the home!</p>
PHYSICAL DEVELOPMENT	<p>We will be exploring our strength and balance through a range of gymnastic challenges and movements. We will use various gymnastic equipment and will be learning about ways in which we can keep ourselves safe when using these.</p> <p>Here is a video showing some of the dance moves we practice in our warm ups!</p>
RE /PSED	<p>We will be exploring a range of stories linked to our world and ways in which we can care for it such as Noah's Ark, The Story of Creation and other similar themed stories. We will be involved in discussions about how we care for our local environment and the impact it has on a larger scale.</p>
