

SWINEMOOR PRIMARY SCHOOL

17th March 2023

Dear Parents and Carers

I am delighted to inform you that your child will this evening be bringing home a copy of our most recent Ofsted report, which has just been published. You will remember that His Majesty's Inspector Mrs. Alison Stephenson inspected us back in January. We were successful in maintaining a judgement of 'Outstanding', which is a huge achievement as so few schools manage to do this.

Your children are praised throughout the report. They are complimented on their behaviour, competitive spirit and desire to learn. They are a real credit to you and to their community.

I do hope that you will enjoy reading the report and that you will share with your children just how proud of them we are.

Thank you, as always, for your continued support for the school. Your efforts to send the pupils to school looking so smart; your hard work at home with helping them to read; and your assistance with Learning Beyond the Classroom and Graduate Awards have all contributed to helping your children make excellent progress and produce super work in every aspect of the curriculum.

We look forward to seeing you next week at our spring term Parents'/Carers' evenings, where it will be a pleasure to discuss your children's work and termly reports with you.

Yours sincerely

Mr. L. A. Myers
