Dear Parents and Carers

It has been a pleasure to welcome the children back following the half term break. They all look very smart in their school uniforms and black shoes. The pupils have settled down again to lots of hard work, including portfolio projects and Learning Beyond the Classroom tasks. Many older pupils have passed Graduate and Masters Award tests already this week, having worked hard at home during the holiday. Thank you for all of your support with their learning from home.

Our Key Stage 2 X Factor winners enjoyed a tea party on Tuesday; and our lower school winners will be having theirs next Monday. Congratulations to the winners for their stunning singing! The Judges were also keen to praise **all** of the classes for their excellent musical performances during the show. I do hope that you have managed to take a look at these on the website. You may also like to take a look at our special Remembrance Assembly, which we held earlier today and filmed for you to view at home.

Thank you for getting your children to school on time and for being so understanding about the barrier that is now in place and working to keep the pupils safe.

Just a reminder of the following dates:

Monday 27th November – Flu Vaccinations
Tuesday 28th November – Parents' Evening (3.25pm – 5.30pm)
Wednesday 29th November – Parents' Evening (5pm – 6.30pm)
EYFS Nativity – Tuesday 12th December at 10am
Y5/6 Christmas Play – Tuesday 12th December at 6.30pm
Y1/2 Nativity – Wednesday 13th December at 10am
Y3/4 Christmas Carols – Wednesday 13th December at 6.30pm

I would also like to remind you that the children are invited to come to school in pyjamas and/or appropriate 'Pudsey Bear' accessories next Friday, which is Children in Need Day. As stated in the letter that you received earlier this week, we would ask that you make any contributions to the charity directly through their website. Thank you.

I hope that you all have a lovely weekend and look forward to seeing the children again on Monday.

Yours sincerely

Mr. L. A. Myers
