Friday, 17th November 2023

Dear Parents and Carers

We have enjoyed seeing the children arriving at school in their pyjamas today, to support Children in Need! Thank you on behalf of the charity for any donations that you have made online. Our Key Stage 2 children entertained the younger pupils with a special performance to celebrate childhood this afternoon. A film of this is on our website for you to enjoy at home.

Thank you to those of you who have already completed and returned slips regarding our parent/carer evenings. Please make sure that you speak to your child's class teacher if you have forgotten to make an appointment. The teachers are doing their best to find time slots that suit everybody, which is a difficult job! We appreciate your clear communication regarding this.

Staff in Y5/6 are in the process of organising a residential trip for those children who would like to participate. It is to be held much closer to home this year, in order to try to make the trip more affordable for more people. It will be held at Raywell, near Cottingham, and will run towards the end of May 2024 for two nights. However, the cost of the coaches required is still expensive! If any of you happen to have connections with a business that might be prepared to make a donation towards this trip, please do let us know. Thank you in advance for any help that you can provide here.

Thank you again for understanding that our new barrier is there to keep the children as safe as possible. We also very much appreciate the efforts that you are making to get the pupils to school every day and on time. This is making a huge difference to their learning.

I look forward to another busy week with the children and hope that you all enjoy a restful weekend.

Yours sincerely

Mr. L. A. Myers
Head Teacher
