

SWINEMOOR PRIMARY SCHOOL

Friday, 1st December 2023

Dear Parents and Carers

I do hope that you enjoyed admiring your children's hard work and talking to their teachers at Parents'/Carers' evenings this week. Their portfolios in particular are a joy to look at. The children have also continued to complete many Learning Beyond the Classroom tasks this week, which is always a pleasure to see.

All of the pupils are working very hard to prepare for their Christmas performances. Tickets, which are free of charge, are coming home with the children this evening. We have to limit these to two per family due to fire regulations, but all of the performances will be filmed so that you can view them at home on our website.

We will be holding Christmas parties for the children on the final week of term. Further details will follow nearer the time.

A test text will be sent to all parents and carers today. This is to make sure that we still have up to date mobile phone numbers for you all. If you do not receive a text, please let the office know. It may be that we need to update your records.

Thank you for your continued efforts to send the children to school punctually every day. We also appreciate your understanding regarding the safety barrier, which is there to keep the pupils as safe as possible on the shared site.

As always, I hope that you have a restful and happy weekend with your children.

Yours sincerely,

Mr. L. A. Myers
Head Teacher
