

## SWINEMOOR PRIMARY SCHOOL

19<sup>th</sup> January 2024

Dear Parents and Carers

Thank you very much for your patience last Monday when our boiler was not working. It was most frustrating to get the children back into school following the weekend, only to have to send them home again! Thankfully, the engineers were able to come out fairly promptly and fix the problem so that we were ready to welcome the pupils back again on Tuesday. I do appreciate your understanding, and I thank you for coming back to school to collect your children so quickly.

The children have been busy as usual. Many of our older children are preparing auditions for our annual Swinemoor's Got Talent competition, which takes place on the last day of this half term. It's always a pleasure to see them working on their fabulous acts!

Thank you as always for making a big effort to get your children to school every day and on time. It makes such a difference to their learning when they attend regularly and punctually. It is also great to see them looking so smart in their black shoes, dark trousers/skirts, white polo shirts and red jumpers.

I hope that you manage to stay warm and well this weekend!

Yours sincerely

Mr. L. A. Myers

**Headteacher:** Mr L Myers
