

## SWINEMOOR PRIMARY SCHOOL

Friday, 13<sup>th</sup> September 2024

Dear Parents and Carers

We have had a busy first full week back at school. I was very impressed by the number of Graduates and Masters whose achievements we celebrated in assembly this morning – their determination and dedication to their studies is a real joy to witness. Thank you for all of your support with this at home. The staff have also been commenting on just how many of you are encouraging the children to read at home, which is very much appreciated. Our youngest pupils, in Miss Hobson's Foundation Stage class, will start bringing home reading books next Monday. It is always a pleasure to see them beginning to learn to read, and I am sure that you are all looking forward to sharing their books with them.

Thank you, as always, for your children's regular and punctual attendance. I would like to remind you that any late-comers may have to wait for quite some time before being given access to the school. This is because our office staff are always very busy looking after the children who have arrived in school on time. Thank you for your understanding.

I would like to inform parents of pupils in lower school (Miss Hobson's class, Mr. Williams's class, and Miss Hoyle's class) that you are warmly invited to your children's special Harvest Assembly on Wednesday 2<sup>nd</sup> October at 10.30am in our school hall. Further details will follow nearer the time. Our older pupils will also enjoy a special assembly that week, but this will be filmed for our website so that you can watch it together at home.

I look forward to seeing all of the children back in school on Monday morning, and I do hope that you all have an enjoyable weekend.

Yours sincerely,

Mr. L. A. Myers
