

SWINEMOOR PRIMARY SCHOOL

Friday, 31st January 2025

Dear Parents and Carers,

Another busy week has gone by. The whole school participated in our annual Masterchef competition, baking bread, biscuits and puddings. This was a very enjoyable learning experience, and the Judges found it very difficult to choose a winning group from each class! Similarly, the results from a long week of auditions for Swinemoor's Got Talent have been announced today, and Mrs Sharp tells me that choosing the final 'acts' who will compete on the last day of this half term was a difficult task, as there was so much talent to choose from! Well done to all of those who gave up their lunchtimes to audition; and congratulations those who have made it through to the final show. We are very proud of you all. Also, Mr Hardy reports that the children who took part in Tuesday's Boccia Event at Longcroft were a credit to the school and to their parents, which is lovely to hear.

I would like to remind you of the importance of making sure that the school office has your up-to-date contact details, please. I am sure that you understand that there may be times when we need to contact you, and we really do need to be able to do so promptly. Thank you to those parents who keep in touch with us to let us know about issues affecting the children. Teachers are very happy to have a quick word when they collect their classes in the morning, but I am sure that you will understand that they need to get all of their children into school as quickly as possible. If you need to pass on a longer message, or need a more private or detailed conversation with your child's class teacher, do please call in at the office and request this. We will always do our best to help you to communicate effectively with the school.

I look forward to seeing all of the children again on Monday, looking smart in their school uniforms and black shoes as always. Thank you for making every effort to get them to school on time every morning.

Yours sincerely,

Mr. L. A. Myers
