SWINEMOOR
PRIMARY SCHOOL

Friday, 27th February 2026

Dear Parents, Carers and Governors,

It has been lovely to welcome the children back to school following the half term break. We have been busy as usual, with portfolio project work and other learning. Children from Year 5 have been working with the Bikeability team, gaining cycling safety skills. They have been praised for their sensible behaviour, excellent listening and understanding. Many children have gained Graduate and Master's Awards. Many more have completed super learning beyond the classroom work. They have clearly been working very hard indeed.

It is World Book Day next Thursday (5th March) and we are inviting the children to dress up as characters from books or films. Please do not spend money on expensive costumes! The School Council has particularly requested that, wherever possible, old costumes or old clothes should be recycled as part of our weekly Green Task. It would also be much appreciated if the children could bring in a copy of the book from which their character is taken; or simply a favourite story book from home. We look forward to an enjoyable day celebrating books and reading.

A reminder that Parents' Evenings will be held on Tuesday 24th March and Wednesday 25th March. Further details will follow shortly.

I have also been asked to remind you about the service provided by the council which may help you to support your children at home and school. Further details are provided in the poster attached.

Thank you for being so very determined to help your children to attend school as regularly as possible. It really does make such a difference to their learning and progress.

I look forward to seeing all of the children again on Monday morning, and wish you all a relaxing weekend.

Yours sincerely,

Mr. L. A. Myers MBE
Head Teacher
