SWINEMOOR
PRIMARY SCHOOL

Friday, 15th May 2026

Dear Parents, Carers and Governors,

This has been a particularly busy week for our Y6 children, who took their SATs. I was very impressed by the way in which they tackled these challenging tests. Every child worked calmly and confidently through the papers. They were well prepared and could not have worked any harder. Well done to them all! The whole of Y5/6 has enjoyed a trip to Beverley Beck today. They also enjoyed treats such as team sports, junk modelling and ice creams during the afternoons this week, to reward them for their efforts in the morning tests.

Next Thursday (21st May), we are offering **all children** a **free school lunch**. We do this from time to time, so that they can all sample our cook's delicious food! Thursday's special menu is attached to this email.

On Monday and Tuesday of next week, children from Y3/4 are going on a trip to an archaeological excavation site at Skipsea, Holderness, East Yorkshire. The children will have the opportunity to learn more about archaeology and take part in a range of hands-on activities linked to their learning in school. They have already taken home letters about this. I know that they are all looking forward to it.

Thank you to those of you who took part in our recent survey. Your many kind comments were much appreciated. Three parents/carers commented that our communication with you could be better. I would truly appreciate any suggestions for improvements going forward. Please call in at the office/email/telephone if you would like to discuss this further.

The weather is set to improve over the coming days! There are many activities in the Learning Beyond The Classroom books that would be good fun to complete in good weather. Take a look at the Art section in particular for 'Out and About'. Hopefully your children can enjoy some art work in the sunshine!

As always, I would like to thank you for all of your efforts to get your children to school punctually and regularly. We will continue to award Dojos, certificates, special pencils and treats for those who manage to come to school for full weeks.

I hope that you have a lovely weekend and I look forward to seeing the children again on Monday for our final week before the half term holiday. Just a reminder that we break up on Friday 22nd May and return on Monday 1st June.

Yours sincerely,

Mr. L. A. Myers MBE
