SWINEMOOR
PRIMARY SCHOOL

Friday, 25th September 2026

Dear Parents, Carers and Governors,

We are all looking forward to our special Harvest Assemblies next week. If you can spare any tinned or packaged food, we would be pleased to add it to our harvest display next week. All donations will then be passed to the Food Bank, who always appreciate your generosity.

Just a reminder that parents and carers of our younger children are warmly invited to the lower school event (EYFS, Y1 and Y2) on Tuesday 29th September at 10.30am in our school Hall. Please note that the **Burden Road entrance only** will be opened at 10.15am that day. The gates will be locked at 10.25am. This is so that the school remains safe and secure. If you are late, you will not be able to attend the assembly as there will be nobody to let you in. I am sure that you also appreciate how important it is for the children not to be disturbed by late arrivals when they are performing. Thank you for understanding the importance of being punctual next Tuesday.

All of the children have been working very hard as usual this week. Thank you for supporting them with their Learning Beyond the Classroom work and with their home reading. Your help from home really does make a difference. Congratulations once again to those of our older children who passed Graduate and Master's Award tests this week – we are very proud of you all.

Thank you for remembering to send your children with a coat every day as the weather gets a little cooler. It is super to see them all looking so smart in their uniforms. I have been asked to remind parents and carers that children should **not** ride bikes and scooters across the playground at the start and end of the day. We would appreciate your support with this, so that smaller children in particular are kept safe on our site.

We would like to invite ALL of the children to have a FREE school meal next Thursday! We do this from time to time so that everyone has an opportunity to enjoy our cook's delicious food. The menu is attached. If your child would prefer to bring a packed lunch, that is, of course, fine.

Another reminder that our School and Community Practitioner, Marie Cole, will be holding drop-in sessions here in school to support any parent or carer who would appreciate any extra advice or help. They will be held on Thursday 8th October (2pm - 3pm) and on Thursday 5th November (2pm-30m). Please phone the office if you would like to book in to one of these sessions.

I look forward to seeing some of you next Tuesday, and hope that you all have a lovely weekend.

Yours sincerely,

Mr. L. A. Myers MBE
